THE COMMUNITY

Located in the southernmost edge of Rhode Island, you will find one of New England’s most-loved vacation spots, South County. Blessed by nature, this scenic area is filled with miles of sandy beaches, wildlife preserves, parks, and hiking areas.

Voted one of the 12 best places to vacation in North America

— Money Magazine

Conveniently nestled about 30 minutes from Providence by car, South County is the epitome of a classic New England getaway. South County is 80 miles south of Boston and 160 miles from New York City.

ABOUT SOUTH COUNTY HEALTH

As a leader in medical technology and personalized care, South County Health provides care to patients across Rhode Island at our flagship hospital, three Medical and Wellness Centers, and at Primary Care and Specialty offices.

South County Hospital, the primary location for our Pharmacy Residency Program, is a 100-bed acute care community hospital located in the beach side community of Wakefield, Rhode Island.
